To,
M/s Rhino Machines Pvt Ltd
Plot No 1A GIDC Phase II,
V. U. Nagar, Gujarat, India.

Sub : ECOFLEX FM1-M Plant with IRM 350 & RTC 103.6

We are pleased to inform you that we are satisfied with the performance of ECOFLEX Series Plant without bucket elevator equipped with FM1-M, IRM & RTC103.6 and automated mould handling system commissioned in October 2013.

We are able to get superior mould hardness resulting in control and reduction of casting weight by 1.5-2.5% and better dimensional repeatability as compared to conventional jolt squeeze moulding.

Your support for installation, process, servicing and spares is well appreciated and we thank you for the same.

Thanking you,
Yours faithfully,

For Mega Heat Cast Pvt Ltd
